

WINMIND
— INTEGRATIVE HEALTH —

Strengthen Your Mind - Experience clarity, calm, and control—from within

EXOMIND™

- Exomind™ is a **non-invasive**, FDA-cleared brain wellness treatment
- Designed to enhance **mental clarity, emotional balance, and focus**
- Uses advanced **Transcranial Magnetic Stimulation (TMS) technology**
- Gently stimulates targeted brain regions and delivering brain boost in series of sessions
- **No downtime** required after treatment
- Many patients feel **calmer, clearer, and more grounded after just one session**
- Continued sessions may support:
 - o Better sleep
 - o Improved mood
 - o Sharper focus
 - o Renewed motivation

Exomind is ideal for individuals seeking enhanced mental wellness and clarity, including support for:

- **Depression** • **Anxiety & chronic stress** • **PTSD** • **Addiction cravings** • **Impulse control**
- **Insomnia** • **OCD** • **Binge Eating Disorder** • **Brain fog & cognitive fatigue**
- **Emotional regulation & focus**

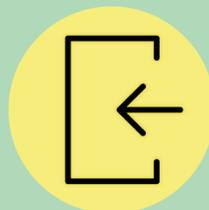

Patients find treatments comfortable
